

The activity that we can do with our hands...

The activity that we can do indoors...

The activity that we can do with children...

The activity that we can't do on holiday...

The activity that we can do at work...

The activity that we can do in our free time...

The activity that we can do before an exam...

The activity that we can do when we are sad...

The activity that we can do for our guests...

The activity that we can do in the car...

The activity that we can't do alone...

The activity that we usually can't (don't) pay for...

The activity that we can't do at meetings...

The activity that we can do in the kitchen...

The activity that we can do while listening to music...

The activity that we can do in summer...

The activity that we can do in winter...

The activity that we can do when we are happy...

The activity that we can't normally do in the park...

The activity that we can do in the zoo...

The activity that we can do when we camp...

The activity that we can do while flying a kite...

The activity that we can't do in a boat...

The activity that we can't do while cycling...

The activity that we can't do while reading a book...

The activity that we can do when we jog...

The activity that we can do on the bus...

The activity that we can do to learn a foreign language more effectively...
